LED COMFO® Highbay V3

LED COMFO® Highbay V3 series is a high efficient and reliable LED highbay luminaries that can be used in dusty and humid environment. The well-designed die-casting aluminum heat sink with high-efficiency lens achieve a perfect balance between convenience and practicality. LED COMFO® Highbay V3 series can replace the traditional HID highbay directly and provide the best solution for high ceiling industrial lighting and commercial lighting.

Advantages & Benefits

One-to-one replacement of traditional HID highbay

- 50% energy saving
- Maintain desired illumination throughout lifecycle
- Easy transportation and installation. Low maintenance cost

Safe and reliable

- Excellent thermal design with compact housing
- IP65, IK08
- 50,000hrs lifetime

Visual comfort

- CRI > 80
- Optional reflector for better glare control

Applications

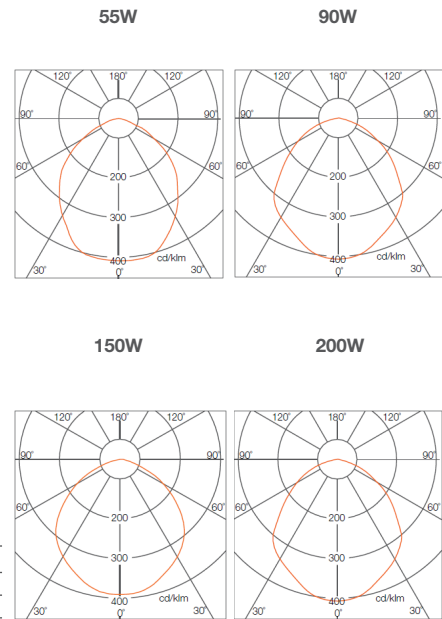

- Workshops, assembly lines
- Warehouses, logistics
- Public areas (airports, stations, stadiums)
