Weight		199g	225g	253g	270g
Housing		Iron			

System Specifications

Power	AC mains
Control	ON / OFF
Installation	Surface mounted
Environment	Indoor (IP20)
Safety Approval	Electrical Protection Class I, RoHS

Due to the special conditions of manufacturing process of LED, the typical data of technical parameters can only reflect statistical figures and do not necessarily correspond to the actual parameters of each single product which could differ from typical data.

Exceeding maximum ratings for operation voltage will cause hazardous overload and will likely destroy the LED module.

Exceeding maximum ratings for operation and storage temperature will reduce expected life time or destroy the LED module.

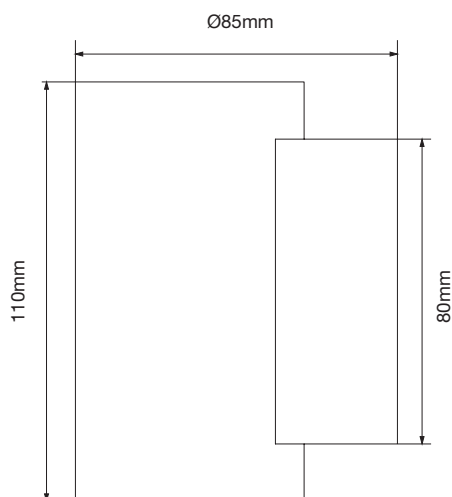

Specifications are subject to change without notice. Errors and omission excepted, always make sure to use the most recent release.
